NOTICE OF NON-DISCRIMINATION UNDER THE AMERICANS WITH DISABILITIES ACT

Employment: The Fourth Judicial District Court does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title I of the ADA as well as other applicable Federal Civil Rights Laws.

Effective Communication: The Fourth Judicial District Court will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the Court’s services, programs, and activities, including qualified sign language interpreters, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Request for Accommodation: The Fourth Judicial District Court will make all reasonable accommodations and reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. However, the ADA does not require the Fourth Judicial District Court to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden. Anyone who requires an auxiliary aid or service for effective communication or a modification of policies or procedures to participate in a service, program, or activity of the Fourth Judicial District Court should contact its ADA Coordinator as soon as possible but no later than 48 hours before the scheduled event.
